PROVISION OF FINANCIAL ASSISTANCE

The Board would like to announce that on 26 April 2011, Ever-Long Finance, a wholly owned subsidiary of the Company, entered into the Loan Agreement with the Borrower, pursuant to which Ever-Long Finance agreed to provide a loan of HK\$2,700,000 to the Borrower for a period of 180 months at an interest rate of 9.6% per annum or 4% over the prime lending rate quoted by The Hongkong and Shanghai Banking Corporation Limited, whichever is higher.

* *For identification purposes only*

The Loan is secured by a property in Hong Kong with a valuation amount of approximately HK\$3.9 million. Under the Loan Agreement, the Loan shall be repaid in 180 monthly installments and early repayment by the Borrower is permitted subject to giving thirty days' prior written notice for such request. The terms of the Loan Agreement were determined after arm's length negotiation between parties and are on normal commercial terms. The Group intends to finance the Loan by its internal resources.

INFORMATION ON THE BORROWER

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, the Borrower is an independent third party and not connected with any director, chief executive, substantial shareholder of the Company or any of its subsidiaries or an associate (as defined in the Listing Rules) of any of them.

REASONS FOR THE PROVISION OF FINANCIAL ASSISTANCE

The Company is an investment holding company. The principal activities of the Group consist of investment holdings, securities dealing and broking, financing, trading of securities, general import and export trading and property redevelopment and investment.

The Directors consider that the provision of the Loan provides an opportunity for the Group to get a high rate of return for its surplus fund under the current interest environment and expand the revenue sources of the Group. Taking into consideration of the Loan is properly secured by a property with market value of approximately HK\$3.9 million; and the interest rate charged for the Loan is higher than the mortgage interest rate of well recognized financial institutions in Hong Kong, the Directors consider that the granting of Loan is fair and reasonable and in the interests of the Company and its shareholders as a whole.

GENERAL

As the applicable Percentage Ratios for the Loan Agreement are more than 5% but less than 25%, the provision of the Loan constitutes a discloseable transaction on the part of the Company pursuant to Chapter 14 of the Listing Rules.
