LETTER FROM THE BOARD

FINAL DIVIDEND

Reference is made to the results announcement for the year ended 31 March 2014 of the Company dated 24 June 2014, in which the Board announced that it had resolved to propose a final cash dividend of HK0.168 cents per Share to Shareholders.

The book closing dates for determination of the Shareholders' entitlements to the final dividend and Free Gift will be 6 October to 7 October 2014, both days inclusive. In order to qualify for the final dividend and Free Gift, Shareholders and warrant holders of the Company are reminded to ensure that all the completed transfer or subscription forms accompanied by the relevant share certificates or warrant certificates together with subscription monies must be lodged with the Company's branch share registrar in Hong Kong, Tricor Tengis Limited, at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong not later than 4:30 p.m. on 3 October 2014.

The payment date of final dividend will be announced after the approval of the final dividend by Shareholders at the AGM.

GENERAL MANDATE TO ISSUE SHARES

At the AGM, an ordinary resolution will be proposed to grant a general mandate to the Directors to allot, issue and deal with new Shares not exceeding 20 per cent. of the issued share capital of the Company to provide flexibility to the Company to raise funds by way of issue of shares of the Company efficiently. This general mandate shall only continue in force until (i) the conclusion of the first annual general meeting of the Company following the passing of the ordinary resolution at which time it shall lapse unless, by an ordinary resolution passed at that meeting, the mandate is renewed, either unconditionally or subject to conditions; or (ii) revoked or varied by an ordinary resolution of the Shareholders in a general meeting, whichever occurs first.

On the Latest Practicable Date, there were in issue an aggregate of 3,650,105,921 Shares. Exercise in full of the mandate, on the assumption that no further Shares will be issued or repurchased prior to the date of the AGM, could accordingly result in up to 730,021,184 Shares being issued by the Company, representing 20 per cent. of the issued share capital of the Company on the Latest Practicable Date.

GENERAL MANDATE TO REPURCHASE SHARES

At the AGM, an ordinary resolution will also be proposed that the Directors be given a general mandate to exercise all powers of the Company to repurchase issued and fully paid Shares. Under such mandate, the number of Shares that the Company may repurchase shall not exceed 10 per cent. of the share capital of the Company in issue on the date of the resolution. Based on 3,650,105,921 Shares in issue on the Latest Practicable Date and on the assumption that no further Shares will be issued or repurchased prior to the date of the AGM, exercise in full of the mandate could accordingly result in up to 365,010,592 Shares being repurchased by the Company.

LETTER FROM THE BOARD

The Company's authority is restricted to purchases made on the Stock Exchange in accordance with the Listing Rules. The mandate allows the Company to make or agree to make purchases only during the period ending on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

The Directors have no present intention to repurchase any Shares but consider that the mandate will provide the Company with the flexibility to make such repurchase when appropriate and is therefore beneficial to the Company. Such repurchases may enhance the net asset value of the Company and/or earnings per Share. As compared with the financial position of the Company as at 31 March 2014 (being the date of its latest audited accounts), the Directors consider that there might be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed purchases were to be carried out in full during the proposed purchase period. However, the Directors do not intend to exercise the power to purchase shares pursuant to the repurchase mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or gearing ratio of the Company or where such a repurchase would result in the public float of the Company falling below 25 per cent., the prescribed minimum percentage of the Shares in issue required by the Stock Exchange to be held by the public.

The Company is empowered by its memorandum of association and bye-laws to purchase its Shares. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either (i) the capital paid up on the relevant shares, or (ii) funds of the Company that would otherwise be available for dividend or distribution or (iii) the proceeds of a new issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of either (i) the funds of the Company that would otherwise be available for dividend or distribution or (ii) out of the share premium or contributed surplus accounts of the Company. Under Bermuda law, the shares so repurchased will be treated as cancelled but the aggregate amount of authorised share capital will not be reduced as only the issued capital will be reduced.

To purchase the Company's Shares, the Directors intend to fund the purchase out of the capital paid up on the relevant Shares or the Company's reserves that would otherwise be available for distribution by way of dividend.

Directors, their Associates and Connected Persons

None of the Directors or, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of the associates of any of the Directors has any present intention, in the event that the proposal is approved by the Shareholders, to sell any Shares to the Company.

No connected person of the Company has notified the Company that he/she has a present intention to sell the Shares to the Company or has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make purchases of Shares.

LETTER FROM THE BOARD

Undertaking of the Directors

The Directors have undertaken to the Stock Exchange, so far as the same may be applicable, to exercise the power of the Company to make purchases pursuant to the proposed resolution in accordance with the Listing Rules and all applicable laws of Bermuda, and in accordance with the regulations set out in the memorandum of association and bye-laws of the Company.

Effect of Takeovers Code

A repurchase of Shares by the Company may result in an increase in the proportionate interest of a substantial shareholder of the Company in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, Mr. Cheung Chi Shing and his spouse, Ms. Yeung Han Yi Yvonne (collectively, the “**Substantial Shareholder**”), in total holding approximately 22.00 per cent. of the issued share capital of the Company, was the only substantial shareholder holding more than 10 per cent. of the issued share capital of the Company. In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the resolution, the shareholding of the Substantial Shareholder in the Company would be increased to approximately 24.44 per cent. of the issued share capital of the Company and such an increase would not give rise to an obligation on it to make a mandatory offer under Rules 26 and 32 of the Takeovers Code.

Rules of the Stock Exchange on Repurchases of Shares

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(a) Shareholders' Approval

The Listing Rules provide that all shares to be repurchased on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, which may be by way of a general mandate, or by a special resolution in relation to specific transactions.

(b) Source of funds

Repurchases must be funded out of funds legally available for the purpose.

General

During each of the six months preceding the Latest Practicable Date, no Shares were repurchased by the Company, whether on the Stock Exchange or otherwise.

LETTER FROM THE BOARD

During each of the previous 12 months, the highest and lowest traded prices for Shares on the Stock Exchange were as follows:
